

9<sup>th</sup> December 2007

Dear Campbell,

We would like to thank you for all the help you have given us, in the selling of our flats.

As first time Vendors, we needed help & advice, regarding advertising and auction; and you were always in close contact, either personally or the telephone.

The sale went according to plan, which we were grateful for, and we have no hesitation in recommending you to future vendors.

Thanks again,

Enid Wallace
